

## Glaslabor Shipping Information

### Switzerland

As a rule, orders will arrive 2-7 working days after receipt of the order, or from receipt of funds in the case of advance payment.

Within Switzerland, items will usually be shipped by B Mail, and shipping is free for orders over CHF 40.–

Postage will be charged for orders under CHF 40.–. (Parcel: CHF 8.–; Maxi letter: CHF 3.–)

These shipping costs will be shown at checkout.

### Surrounding European countries

Shipping costs are dependent on product weight and are calculated and shown at checkout. Shipping costs do not include local VAT and customs charges. Please inquire at your customs office about import duties.

As a rule, orders will arrive 6-10 working days after receipt of the order, or from receipt of funds in the case of advance payment. Customs processing can, however, impact delivery time.

### All other countries

Please write to [info@glaslabor.ch](mailto:info@glaslabor.ch) so that we can calculate shipping costs to your location.
